Denise hopefully you can still add this to the agenda for the March 4,2010 council meeting.

My assumption is that the demolition by-law was not be imposed to hinder the Highland companies alone from demolishing potential heritage homes. It was to be enacted to prevent any organization or company such as Highlands from destroying property.

Is council still going to pursue the demolition by-law to prevent future companies from coming to Melancthon and destroying homes that may have some bearing on the areas heritage?

Thank You  
Nancy Malloy
