Total Project \$499,686

FEB 18 2010

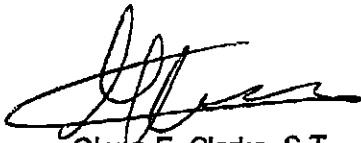

Mr. A. Braiden
February 10, 2010

As discussed, the Township may wish to have the design completed for the bridge and obtain approvals this year for construction in 2011, as it can take five or six months to obtain approvals.

Should you have any questions, please call.

Yours truly,

R.J. Burnside & Associates Limited
