## FOOD BANK CHALLENGE

The Council and Staff of the Corporation of the Township of Mulmur have challenged the Council and Staff at Melancthon Township to see which Township can collect the most food for the local food bank. We gladly accepted this challenge and are needing your help and support.

A box will be located in the front lobby of the Municipal Office where non-perishable items can be dropped off. Items may also be dropped off at each Council Member's home.

Come on Melancthon Residents! Let's show our Municipal Neighbours what we can do when we are put to the challenge!

PRIZE to be determined!
